... speaking of AIM ...

Reference desks at the Science and Engineering, Fine Arts, and Alderman libraries are now reachable through AOL Instant Messenger, Monday through Friday from 11am to 5 pm. For screen names and info, go to www.lib.virginia.edu/questions.html (the "Reference Questions/Ask a Librarian" link on the Library's home page.)

In Search Of

Maybe you can't scour the earth in search of that special book, but Interlibrary Loan can. If the source you need isn't at U.Va., Interlibrary Loan gives you access to the collections of other libraries around the world. You can even contact Interlibrary Services directly via AOL Instant Messenger at **UVAILLQuestions** during the day. For hours, info, and a list of FAQs, check out the web site at: www.lib.virginia.edu/leo/index.html.

It's that time of year
again ...
welcome back!

How to Hook Up

If you need some computer-related assistance as you settle into the school year, the Science and Engineering Library in Clark Hall is hosting two weeks of ITC walk-in help. Learn about getting your email account squared away, ask questions about wireless access, you name it. Walk-in times are 12 noon to 5 pm for the weeks of August 30-September 3 and September 6-10.
